3 The circumstances under which Mr. Varada Iyengar was transferred from the K. G. F. are explained in the Senior Surgeon's letter dated 13th July 1920 in Medical File No 15 of 1920.

4 : It is true Mr. Varada Iyengar is not benefited by his transfer from the Medical to the Sanitary Department as his pay in the Medical Department is Rs. 140 in the 120-10-21 grade from 1st January 1920 while as acting Health Officer at Shimoga he will be entitled to no more than Rs. 150 according to Article 83 of the Mysore Service Regulations. Whether, in view of this as also of the fact that he loses his private practice by his transfer, a Special allowance is to be sanctioned is a point for consideration.

5 Officers of the Medical Department have of late been showing a disinclination to serve in the Sanitary Department unless liberal offers are made in respect of salary. Some inducement in the shape of allowance or grade appears therefore called for in such cases.

If approved, the Financial Secretariat will be consulted.

12) I think an allowance of Rs 50 should be sanctioned to compensate Mr Vaidya for the loss of his private practice. He is not an ex-officio Sanitary Deptt and has been temporarily placed in charge of Khalli ex-officio duties in addition to his duties as one of the Sanitary officers in the Sanitary Deptt. His past record of service is not satisfactory. His personal question is that as regards his private practice, it has not been visited with any punishment. If no allowance is sanctioned, it will in any degree in future to induce any medical officer to act for temporary vacancies in the Sanitary deptt.

Surgeon or as District Health Officer whichever was higher and that it was not right to pay him anything more and he added that the sanctioned pay of appointments in the Health Department should be adhered to and that it was not right to increase it to suit the cases of individual incumbents.

29 4. With reference to the above view, it should be pointed out that Mr.Varada Iyengar is not an officer of the Sanitary Department but has been temporarily placed in charge of Health Officer's duties on account of paucity of officers in the Sanitary Department and if no allowance is sanctioned, it will be very difficult in future to induce any medical officer to act for temporary vacancies in the Sanitary Department.

Page 4 of the Notes 30 5. In the light of the above facts, I recorded the opinion that an allowance of Rs.50/- should be sanctioned to compensate Mr. Varada Iyengar for the loss of private practice.

31 6. The matter was considered in Council on the 10th February 1921 and it was resolved that in the case of temporary transfers of this kind from the Medical to the Sanitary Department, Medical Officers may be given their grade pay plus an allowance of Rs.50/-.

Sir,

Adverting to Government Notification No. G.2714 San. 10-20-2 dated the 3rd August 1920 posting Mr. S. Varadiengar as District Health Officer temporarily during the absence of Mr. R. Subba Rao on six months' extra-ordinarly leave without allowances, I have the honor to state that Mr. Varadiengar was in the 2nd grade of Assistant Surgeons getting a salary of ₹ 140 plus 50 L.A. in the scale of ₹ 120-10-200 while the minimum pay of a 2nd class Health Officer is only ₹ 150/-. The transfer involves loss of private practice which is not compensated by any higher pay that Mr. Varadiengar can draw as District Health Officer. He will, I believe be entitled to get ₹ 150 within the next few months as Assistant Surgeon in the Medical Department. His employment in the Sanitary Department therefore will actually result in a diminution of his income by as much as he might have earned by private practice had he continued to remain in the Medical Department. Under the circumstances, I beg to recommend that during the period Mr. Varadiengar is em-
